A fascinating ritual*

ORIENTAL HAMMAM... *The Experience*

With its fascinating atmosphere and silence, a glancing play of the twilight on the impressive beauty of marble and mosaics, the Hammam invites you to some unforgettable moments.

Caressed by the soft scented eucalyptus mists... with the warm and friendly care, your body experiences the magic ritual of being scrubbed and freed of the daily invading toxins. Experience a rejuvenation of body and mind... a refuge in harmony and a total well-being.

The perfumed rassoul (Moroccan clay mud), mixed with essential oils Ylang-Ylang, Jasmine and rosewater envelops your body and senses and leave you with a renewed, satiny skin. A dream out of «Thousand and one Nights».
